John 4.5-42

Jesus asks a woman for a drink of water. He offers her life-giving water in return.

Draw things in your life that are 'life-giving' from Jesus, e.g. family, church, God's creation, so that they are coming out of the jug.

Imagine you were in the town when the woman came back from the well. Write your diary describing what you did and felt when the woman spoke to you.

Do Make a sign for every tap where you live, to remind you to give thanks for clean water when you turn each tap on.

Pray For clean water to drink, for refreshing rain for crops, for plentiful water for washing, we thank you, God. Amen.
